# NUNHEMS DEMO SALADS 2025

➤ Spinach portfolio: discover our wide range of solutions.

**CARTAGENA,  
FEBRUARY  
10TH - 14TH**

**Dear Partner,**

The BASF | Nunhems team is pleased to invite you to the next edition of the **Nunhems Demo Salads 2025** that will take place from **February 10<sup>th</sup> to 14<sup>th</sup>**, at our station in La Palma, Cartagena.

Our specialists will guide you with a fully personalized visit to learn about interesting concepts and varieties that respond to the latest market trends.

At BASF | Nunhems, we believe in a close partnership with our customers along the value chain - from field to fork. We offer not only agronomic expertise but also market and consumer intelligence that will enable you to remain at the forefront of innovation.

**Together we will work to grow your business.**

**Individual digital meetings with our sales specialists will be available.**

Yours sincerely,  
**The BASF | Nunhems<sup>®</sup> Team**
