Advices for cultural practice
Information provided by Nunhems in any form whatsoever is without commitment. Descriptions, recommendations and illustrations in brochures, leaflets and on the website are based as closely as possible on experiences in tests and in practice. Nunhems in no event accepts any liability, however, on the basis of such information for different results in the cultivated product. The buyer itself must determine whether the goods and information are suitable for the intended growth and/or can be used in the local conditions.
Product illustrations
All varieties shown were grown under favourable conditions. Identical results are not guaranteed nor implied for all growing conditions.
